ETO PRINCE

VISIBILITY

Lighting (as permissible by law) is provided on the vehicle, to ensure perfect visibility at all times, whether at night or in dull, gloomy weather.

DRIVER-FRIENDLY FRONT PANEL

An advanced, inventive and exclusive design has ensured that the handle bar is easily controllable by the driver and that the gauges are accessibly/ handily displayed to guarantee safety while driving.

FLOOD PROOF

The main components and powertrain are at an elevated position in the vehicle so as to prevent any water seepage and malfunctioning during floods.

EMERGENCY STOP SWITCH

This vital facility is provided in a most conveniently accessible position on the dashboard, so as to be able to shut down the vehicle completely in any emergency, structured in such a way, so as to drain the rain water away from the interior of the vehicle.
